

Project Use Case & Deployment Confirmation Certificate

This is to formally acknowledge that the following student(s) from K.R. Mangalam University have successfully undertaken and completed an industry-based project under our mentorship, in alignment with the stated objectives and requirements of our organization.

Project Details:

Project Title: ElectroLedger – A Smart Expense Tracker for Small Businesses

Domain/Technology Used: Web Development, PHP, MySQL, HTML/CSS, JavaScript, AI-based Categorization

Industry Use Case / Business Problem Addressed:

Manual financial record-keeping in small electronics businesses leads to inefficiencies, inaccuracies, and poor financial planning due to the lack of automated, user-friendly tools. Hiring professional accountants is often unaffordable for such businesses.

Expected Outcome/Utility of the Project in Our Organization:

The ElectroLedger platform provides a cost-effective, automated expense tracking solution for electronics shopkeepers and small businesses. It simplifies financial management, enhances transparency and accuracy, generates insightful reports, and supports better budgeting and decision-making. The system has been tested and validated with real-world scenarios and has the potential to be deployed as a full-scale business tool.
